NOTE: Please try to retrieve any balls that are hit over the fence.

- The first teams listed on the schedule will set up diamonds 4, 5, 6 and 7 for the 8:30 games. They will then have the choice of Home or Visitors. Please have the diamonds set up by 8:15 so we can start on time.
- Home team for all other games will be decided by a coin toss.
- All teams should have their bases with them in case a team that has set up the diamond finishes early.
- Games will be 7 innings or 1 hour and 10 minutes from the designated start time. If you start late, you will have less game time, as you must clear the field 5 minutes before the next start time.
- Please clear the field quickly so the next game can commence.
- Last inning is open but you can't go over the time limit. If time runs out before an inning is completed, the score reverts back to the last completed inning.
- You are allowed 7 runs/inning and there is no longer a 10th Batter rule.
- Each team will play 3 games. The winners from Pool A and Pool B will playoff at 3:00 for the Championship.
- The 2 Consolation Teams with the best records will playoff at 4:00 pm for the Consolation Finals.
- Since there will be a possibility of ties, these will be broken by:
 1. Head-to-Head
 2. +/- differential
 3. Fewest runs against
